

## Gerrit and Shirley need reunion input

Saturday, 10 March 2007

Contact Shirley James at [ussacadia@hotmail.com](mailto:ussacadia@hotmail.com) if you are going to the Atlanta reunion. They are specifically looking for people that were on the Acadia from '88 to '93.

Gerrit, our San Diego reunion coordinator is looking for input, specifically:

"Okay folks, reunion is 21 July, but nobody has notified me if they want rooms at the Marriott - let me know by the end of the month would you please?"

As for using the Midway, well, yeah, we could, but I don't have a head count yet, have very little input from you all on desires for activities/venue. I'm open, but time is zipping by and I need input.

Personally, I'm for renting space in a downtown bar for the evening of July 21st.

What I need:

1. Headcount - how many will be here?
2. Activities - what do you want to do?
3. I'd like everyone's input no later than 15 April.

Fair enough?
